RE: Business Opportunity Rule, R511993

Dear Tom.

We have followed you over the years, both as the coach of the Nebraska Cornhuskers, and as a Representative for the state of Nebraska. Recently we moved back to Nebraska. It gave us an opportunity to vote for you in the primary election in May. We wish the outcome had gone in your favor.

We're writing about a great concern that we have. We have reviewed the proposed FTC Business Opportunity Rule, R511993. As independent FreeLife International Marketing Executives who has developed our business as a result of the opportunity FreeLife International, its products, and marketing plan made available to us, we are strongly opposed to the proposal. If adopted, the rule would destroy our small business that we have worked so hard to develop.

Accordingly, please do not allow this incredibly restrictive rule to be enacted.

Thank you so much for all you do for the great state of Nebraska. Please give this rule your thoughtful consideration.

Blessings, Tom,

Wayne & Rosalie Joy

FreeLife Marketing Executives
